RELIABLE POWER SOLUTIONS

MODEL NUMBER STRUCTURE

FEATURES

- Compact size
- Universal AC input full range
- Installation on DIN rail 35mm only
- Over voltage protection
- Over current protection
- LED indicator for DC power ON (Green)
- LED indicator for DC low (Red)
- 3 year warranty

WHAT DO WE EXPECT FROM FUTURE ENERGY?

Cleaner, smarter, more reliable, and higher efficiency, or we want them all for good. That costs for technological competence, manufacturing capability, strength of resource integration, and experience. Pairui is well up for this.

WE SERVE INDUSTRIAL APPLICATIONS

PAIRUI has been offering quality switching power supplies and magnetic components to the global market for more than 30 years. As a vertically integrated company, PAIRUI is able to offer quality products at a very competitive price, and design unique products to fit your most demanding needs. PAIRUI's goal is to be your trusted power partner.
